Welcome to the latest edition of the ASC e-News.

Aerotow Update

Dual Aerotow Day - **Changed from Sunday 9/10/2016 to Sunday 16/10/2016.**

The reason is the original planned day is a passenger day - sorry I mucked this up when working it out several months ago.

The planned start time for briefing is 10am - sharp - in main briefing/dining room at ASC. If you plan to be involved please register on the ASC website 'gliding register' - for planning purposes.

Please note either 'dual tow training', or 'dual tow instructing' or 'dual tow tug pilot' (or combinations of any of these).

Tug pilots who have not done this before & want to get involved as tug pilot will need to talk to ASC Tug Master - Steve Pegler.

Should the weather be unsuitable for this will advise before the weekend if we are go / no go (if latter we will re-schedule for the next non passenger Sunday - 2 weeks later).

If you have any queries please let me know.

Kind regards

Frank Johann

Safety Reports

All members are reminded of the importance of ensuring safety around the airfield at all times and the need to report any near misses or incidents. It's really important that we maintain the high standards the club has had in regards to this and to have a culture of continual learning and improvement.

A New Golf Buggy!

The last meeting of your Committee authorised the purchase of a new (second hand) golf buggy. So get the clubs out because its arrival is imminent!

Happy Birthday

Carol Bairnsfather, a significant member of the club house group and of our club generally, had a significant birthday on the 8th of September....Rumour has it that one of the numbers of the birthday was a 0 and the other was a 7...

Happy Birthday Carol from all of us.

Busy Airfield

It's great to see the runways being rolled and the entrance road getting some TLC. Thanks to Tom and the crews who are organising and doing these things for our club.
