ASC Christmas Dinner

This Saturday night at 6.30pm!

Human Factor Course

The Club's Light Sport Aircraft instructors again held one of their popular 'Human Factors' pilot training days on Sunday. Karl Faeth, Phil Pullem, Sue Ingham and Dr John Couper-Smartt presented a lively and informative day, with a BBQ lunch.. to a room full of powered aircraft pilots, glider pilots and student pilots.

From the positive parting comments of attendees, it really re-enforced the value of this course and its importance in contributing to the safety culture of the ASC. Well Done and Thank you.

LOXTON AERO CLUB FLY IN – 7 & 8th April, 2017

The Loxton Aero Club has pleasure in inviting you to our 6th Biennial Fly In.

The focus for our 2017 Fly In is 'Partners of Pilots', in addition to lots of other interesting information.

Highlights include –

- Our very popular HANGAR DINNER with Guest Speaker, Kathy Mexted (Editor of Airsport, SAAA)
- Hangar Dinner lucky ticket prizes (\$200 first prize and \$50 second prize)
- Awards for best presented plane and the pilot who has flown the furthest to attend the Fly In.
- Presentations throughout the afternoon on Saturday, 8th April, featuring our very own Howard Hendrick (WW11 Bomber Pilot – now 93 years old and still flying PIC!). There will be a number of other Presentations (and we are keeping our fingers crossed that Shelley Ross will be able to attend and do a Presentation). Keep an eye on our Website – www.loxtonaero.com which will be updated as the Program for the Fly In develops – stay tuned!
- Fully catered from Friday lunch time until Sunday breakfast – you won't go home hungry!

All information, Registration and Payment forms will be available on the website – www.loxtonaero.com BY THE END OF DECEMBER,

FK 9

Many hours have been spent sorting out all the issues with the FK9 and we are pleased to say that all these have been rectified.

The FK9 is available to book and fly again.

LSA Trip to Waikerie

Are you interested in making a trip to Waikerie on the 27th December? It should be a great trip for all club aircraft as well as private owners. See Scott Crew for more details.

GAM AWL

Tom will be away on Annual Leave but will return again on Monday December the 19th

Help!

If you are able to offer some support by being regularly available to mow/slash around the airfield, then please contact Tom (our General Airfield Manager.)

National Police Certificates

Recently all of our Gliding Air Experience Instructors, Flight Coordinators, Committee Members and Staff should have received an email informing them of our club's responsibility towards child protection and our policy which requires these officers to have a current National Police Certificate.

In the letter it stated that you simply need to have this cited by one of our staff.

This is incorrect as our policy actually states that only Tom Leech, Judy Smith or Daryl Trigg are authorised to see the National Police Certificates.

Certainly we appreciate your support in attending to this important matter as soon as possible.

Club Aircraft

Members flying LSA aircraft are strongly encouraged to fly club aircraft in preference to cross hired aircraft when there is an option. How do you know if it's a club aircraft? It has our logo on the side (and the financial benefits to the club are quite significant.) This also means that club owned aircraft should be parked closer to the door for easier access!

Barossa Airshow

This great event is on again on the 2nd April 2017.

OUR EMAIL LISTS - A reminder of their purpose

ascannounce - This site is for conveying official information within the club. Only officials of the club can post items on this list. Typically only one email per week is posted on this site so it is not a problem in terms of overloading anyone's email system. This is a vital function for our club and all members are urged to read all material that is presented on ascannounce.

ascmembers - This was intended to be a chat site. Any club member can post anything on it which concerns club matters. It is moderated only to the extent that any obscene or illegal material is removed. Naturally not everyone wants to receive the posts that result, so you can opt out of this site if you wish.
