Electronic news from the Adelaide Soaring Club

Number 7/2018

4th May 2018

A big couple of weeks....

Members would agree that it's been a big week or so for our club. On behalf of the members and ASC community I would like to say thanks to everyone who has worked through the issues we have had regarding the hangar fire.

We have an outstanding club community and outstanding leadership as well.

Welcome

Welcome to our newest members: Thomas Zhang, Anthony Oates, Chris Lawrence and Hendri Immelman

And welcome to the latest edition of the ASC e-News!

Club rates

Every six months the Committee reviews our prices, taking into account the state of the club's finances. In general prices are changed to reflect the CPI but Committee tries to keep increases as small as possible while still making sure the club is viable.

As a result there will be a small increase of 1.5% in flying rates from 1 May, a little less than the CPI increase. There will be no change to other charges.

Did you know...

...that the shelter for the club's trailers and machinery is now in operation? This was one of our major investments this year (along with a new Jabiru and the road) and should protect these expensive assets for years to come from both rain (leads to rust) and UV (degrades paint and fibreglass). Your funds at work!

.... that recently our club held a movie night showing "Sully" which went very well and again Anthony & Sylvia did a sterling job with the catering.

...that there is an LSA fly-away to Nhill planned for Saturday 28th May 2018.

Members Forum and Grand Opening

Our next Members Forum will occur on Saturday 19/05 commencing at 5:30pm. This will be an opportunity to share information with members and for members to raise matters of constructive interest in an open forum discussion.

Following the forum, Tony and Silvia Lock will be providing dinner at a reasonable cost. This will be a great opportunity for members to socialise and to share a yarn or 2.

But wait, there's more! During the evening we will also be holding the "Opening of our New Road Ceremony". I believe our new road is the most significant happening since the relocation of club infrastructure as a result of NEXY.

So that we can get the catering right, can you please advise the office that you will be attending.

I look forward to seeing you all at Gawler on Saturday May 19 at 5:30pm.

Safe Flying,
Steve.

Congratulations

Nat Vink is congratulated by Phil Pullem after excelling with a distinction score in all theory subjects in his flying training at ASC. He completed his endorsements today with 97.5% in Navigation and Meteorology. Very well done Nat !

Peter Heuzenroeder.. passed his final Navigation and Meteorology exams. He now has the whole of Australia as his flying playground to find adventure.

Congratulations from all of the Instructor Team at ASC Pete!

Please shut the gate

Please remember to shut the gate if you are the last person leaving the airfield of an evening.
